SUBJECT INDEX TO VOLUME 30

- Abcess, perinephric, with gas formation, 302
- Splenic, surgical significance of, 712
- Abdomen, complications of, associated with gastric and duodenal surgery, 553
- Defects in wall of, synthetic mesh repair of, 481
- Surgery of, modified Ross incision in, 837
- Wound disruption in, etiology and prevention of, 566
- Acidosis, profound shock associated with, 589
- Adenoma, Brunner's gland, mimicking duodenal ulcer hemorrhage, 65
- Villous, with electrolyte derangement, 467
- Pleomorphic, of the salivary gland, 539
- Adhesive, synthetic resis, for placement of skin grafts, 753
- Tissue, rapid polymerizing, clinical use of, 197
- Amebiasis, surgical problems in, 780
- Amputations, for lesions of the feet in diabetes mellitus, 431
- Anastomosis, bowel, nonsuture closure of, 177
- Gastro-enteric, management of gastric retention following, 476
- Side-to-side syndrome, 91
- Anemia, acquired hemolytic, and Boeck's sarcoidosis, 199
- Influence of, on wound healing, 23
- Use with patients with asthma, 160
- Aneurysm of external iliac artery, 256
- Pulmonary arteriovenous, and maldevelopment of pulmonary veins, 770
- Angiomas of spinal chord, surgical treatment of, 163
- Antisepsis, comparison of surgical scrub-up preparations, 77
- Antrum, prepyloric, mucosal diaphragm of (Webb), 73
- Anus, basal cell carcinoma of, 213
- Aorta, embolic occlusion of, at level of renal vessels, 115
- Aortic insufficiency, prosthetic valves in descending aorta for treatment of, 234

- Pneumoperitoneum, sign of urinary bladder rupture, 721
- Portacaval shunt, pancreatic function after, 12
 - Prevention of episodic tremors in animals with, 856
- Prediction formulas, evaluation of blood volume determinations by, 852

- Pregnancy, blood volume studies in, 357
 Complication of, by solitary bone cyst with fracture, 109
 Jaundice during, surgical implications, 452
Presidential address, Southeastern Surgical Congress, 549
Proctoscopy, value of routine, 281
Prosthesis, autogenized, formation and use of, for replacement of common duct, 48
 Valves for, in descending aorta for treatment of aortic insufficiency, 234
Prosthetic replacement, femoral neck fractures treated by, 523
Protein, plasma, role of denaturation in thermal burn syndrome, 26
Pseudocyst in abdomen, differential diagnosis of: urinoma, 717
Pseudomonas, acute bacterial endocarditis due to, in burns, 617
Pulmonary disease, chronic: preparation for operation, 487
 Venous drainage, anomalous, to abdominal vena cava, 685
Pyloroplasty, for gastric ulcer, 561

Radiographic scan, lingual thyroid and, 627
Rectum, carcinoma of, 6
Renal failure, postoperative, management of, by peritoneal dialysis, 814
Retroperitoneal space, infections of, 799
Retrofascial space, infections of, 799
RISA technic, evaluation of blood volume determinations by, 852
Ross incision, modified, in abdominal surgery, 837
Rupture of portal varices, immediate factors precipitating, 221

Salivary glands, lympho-epithelial tumors of, 411
 Pleomorphic adenomas of, 539
 Recurrent inflammatory swellings of, 434
Sarcoidosis, Boeck's, and acquired hemolytic anemia, 199
Sarcoma, osteogenic, of extraskelatal soft tissues, 97
 Reticulum cell, of small bowel, complication of cyclophosphamide in treatment of, 253
Sclerosis, submucosal gastric artery: source of hemorrhage, 83
Serum lactate dehydrogenase in immediate post-operative period, 690
Shock, hemorrhagic, use of hyperbaric oxygen in, 243
 Profound, associated with acidosis, 589
Sialangiectasis, 434
Sigmoid, transverse, volvulus of, 313
Situs inversus, hepatic cirrhosis and bleeding esophageal varices: surgical treatment, 101
Skin donor sites, utilization of in extensive burns, 463
Spinal chord, surgical treatment of angiomas of, 163
Sporotrichosis infection, 335
Sternal fixation, technic for, in repair of pectus excavation, 689

Stomach, eosinophilic granuloma of, 239
 Strangulation and perforation of, in inguinal hernia, 677
Sutures, cohesive, 123
 Wire, erosion of deep epigastric vessels by, 188
Sympathectomy, lumbar, in arteriosclerosis obliterans, 409

Tendon repair using cohesive steel re-inforcement, 668
Thrombi, intra-arterial, lysis of, by streptokinase, 648
Thyroid gland, ectopic, 267
 Primary squamous cell carcinoma of, 247
Thyroid, lingual, and radiographic scan, 627
Thyroidectomy, total, and I¹³¹ in thyroid cancer, 511
Toxemia, blood volume studies in, 351
Transplantation of canine hearts, 445
Trauma, abdominal, injury to superior mesenteric vessels secondary to, 306
Tremors, episodic, prevention of, in animals with portacaval shunt, 856
Tumor, carotid body, 407
 Lympho-epithelial, of the salivary glands, 411
 Warthin's, evaluation of: review of 59 cases, 420

Ulcer, duodenal, gastric freezing for, 53
 Gastric, etiology of: analysis of gastric freezing, 526
 Gastric, vagotomy and pyloroplasty for, 561
 Stress, following unrelated major surgery, 338
Ureter, injury at hysterectomy, following several low transverse cesarean sections, 862
Urinoma: differential diagnosis of pseudocyst in abdomen, 717
Uterus, gravid, gunshot wound of, 207

Vagina, vault of, functional repair of post hysterectomy . . . prolapse with Marlex mesh, 227
Vagotomy, for gastric ulcer, 561
Varices, portal, immediate factors precipitating rupture of, 221
Vascular disease, peripheral, evaluation of, using intra-arterial fluorescein, 35
Vein, pulmonary, maldevelopment of, and pulmonary arteriovenous aneurysms, 770
 Umbilical, in the adult, 56
Vena cava, abdominal, anomalous pulmonary venous drainage to, 685
 Clip, partially occluding, for prevention of pulmonary embolism, 40
Volvulus, coexistent, of transverse sigmoid and right colon, 313
von Recklinghausen's disease, manifestation of: mesenteric plexiform neurofibroma, 231

Wound, bullet, biliary fistula secondary to, 629
 Disruption, abdominal, etiology and prevention of, 566
 Disruption and evisceration, prevention of, 458
 Gunshot, of gravid uterus, 207
 Healing, influence of anemia on, 23
